Policy of Personal Data Processing
Conf-2025

Through this Policy, the Management of BIMEX GROUP LLC recognizes confidentiality, personal data protection and legitimacy of personal data processing as one of the main priorities and rights. The main task for BIMEX GROUP LLC in the field of personal data protection is to maintain the necessary level of the culture of data confidentiality and the continuous development within the framework of personal data processing. BIMEX GROUP LLC assumes obligations to ensure the fulfillment of the following requirements:

- Federal Law No. 152-FZ dated July 27, 2006 "On personal data";
- European Union General Data Protection Regulation 2016/679 (GDPR);
- Other laws governing the personal data protection and their confidentiality.

BIMEX GROUP LLC seek to create processes and procedures for personal data collection and processing in transparent and safe manner, as well as for accurate and correct personal data accounting.

BIMEX GROUP LLC respect the rights of personal data subjects, update and provide protection of personal data and access to them only for legitimate purposes and for authorized users. Personal data are always processed in accordance with the existing regulations. BIMEX GROUP LLC process the personal data in a safe and secure manner throughout the whole data life cycle. This means that all legal, organizational and technical measures required for the protection of the personal data from unauthorized access, unintentional destruction, unauthorized alteration, information disclosure and other actions, which may jeopardize the personal privacy of the individual are applied.

In BIMEX GROUP LLC, the personal data are processed in accordance with the requirements of international treaties and applicable law.

In cases where the personal data are processed outside the country where the subject of the personal data is a resident or in the international organization, BIMEX GROUP LLC guarantee that persons performing the data processing will fulfill the necessary requirements and will introduce appropriate technical and organizational measures to ensure a proper level of data protection and security.

BIMEX GROUP LLC recognize the rights and provide the necessary information and support to the personal data subjects to realize their rights established by the legislation of the European Union and the Russian Federation.

BIMEX GROUP LLC annually update the internal regulations governing the procedure and protection of the personal data and follow the legislation changes introduced by the Russian Federation and the Countries on whose territory BIMEX GROUP LLC operates.
